Love + Reverence for Life

Beloved Ones - As I know you seek love, I refer you again to Beloved Nada's words. As you read them you are connected with Her Presence and Her feeling of love as well as My own.

Love and Blessing

Beloved Nada: (Spoken at Transmission Class of June 15th. 1957.)

The Ascended Host are wholly free from feelings of failure; wholly free from depressions and consciousness that They will not succeed. So every six months They come to the Rocky Mountain Retreat with wonderful new ideas. They not only come from the Retreats on the surface of the Earth, but from the seven spheres as well, and there are always great numbers who come from Hilarion's Temple and from the Temples of the other Chohans.

The Angel of the Scrolls is always a Being who is developed in wisdom and balance, and there are sometimes occasions when as many as twenty or thirty of the petitions will contain, in essence, the same thing. So then that Angel of The Scrolls gets that group together and the one who is in charge, by seniority of Light, is then enabled to form it into a joint petition which will be presented to the Karmic Board.

Alpha and Omega, Isis and Orisis, Apollo and Diana, Krishna and Sophia, Helios and Vesta - all of these Beings have Emissaries Who are to enter into the Teton by June 19th. They will bring with them, remember, very great light and They will stay all during the period while the conference goes on.

Tonight, of course, the activity is primarily concerned with the entering of each one Who is a conscious part of the Retreat, the entering of Their scroll and petition, assigning Them to Their rooms and then Their returning to the Flame Chamber to become part of the precipitating activities of the evening.

The beloved Pallas Athena has surprised Us by Her presence in the atmosphere above the Mountain, so it would seem as if at least some of the Karmic Board are going to be present.

I give you now the Master Lanto, the great Hierarch of the Rocky Mountain Retreat -

BELOVED LANTO:

Ladies and gentlemen, here assembled in Our Retreat, desiring to know and feel a reverence for Life, Great Cosmic Beings, Ascended Masters and all Divine Expressions of Diety, We are your most humble Servants. We do ask that you make use of everything within this Retreat and ask one of our Brothers or Sisters to assist you while you are within the confines of the Retreat. Our library, paintings and Teachers are all at your disposal, and to those who are listening to Me over ethers elsewhere I make a like invitation to come to Our Retreat and learn here how precious is life - life in a small flower as well as the life in a great tree; the life in the least of men as well as the life in the greatest. Love and reverence for life brings a great receptivity to the consciousness and makes one a good pupil in learning to precipitate happiness wherever you go. Because, as the gracious Nada has said, when you love life enough to put self aside and nourish every attempt toward doing good, you are opening the door of your own feeling world, mind, etheric body and the very substance of the physical world to the inflow of more life, because all life desires love and sublimation through understanding and grace,

I have provided, with your permission, Lady Masters for you this month. For this thirty day period you shall each have a lovely Lady Who is an ascended Being, and each of these Ladies lived with Me in China when I was privileged to have a Rulership there before My Ascension. Some of you will be intuitively aware of Their Presence but all of you I hope will enjoy Their companionship.

Now the great Pallas Athena is already in the ethers above Our Retreat, We will speak to Her one moment .....

"Beloved Goddess, Pallas Athena, dear Spirit of Truth and of Life, as You come representative of the Karmic Board, I ask You on behalf of all life on the Earth for every God Mercy and intercession in helping in the redemption of this Planet and Its people".

Precipitation

PALLAS ATHENA:

Beloved Lanto and the Brotherhood at the Rocky Mountain Retreat, Greetings from THE KARMIC BOARD! We come now, as always, to bring mercy, balance, understanding and light to the Earth and Its people. It is Our joy to stand in a position where We can hear the calls of the least elemental as well as the mightest Deva, and where We can, when wisdom allows, draw on the Cosmic storehouse for that life, courage, strength and constancy to help any lifestream unascended, or any elemental or any living thing to manifest God perfection.

My fellow menbers of the Karmic Board will be visiting informally the various council chambers. The entire Board will not go into session until the nineteenth, but I have come to open the door to the Realms of the Higher Suns so that the Emissaries from those Suns may open the spiritual highways into the emotional, mental, etheric and physical world of mankind. These Emissaries act like wedges, and as They fly through interstellar space They leave an opening behind them, and sustain that opening, which is a channel of energy, through which lesser Beings can come in safety and not be swept from Their course by diversity of interest or lack of polarity and concentration of mind. So these great Emissaries come - the Wayshowers - the Pilgrims - cutting the path through the darkness into the light. Then following Them will come the lesser Beings, Angels and Elementals of Fire. Those of you who are privileged to be among the gatherings this night to breathe in this Precipitating Flame, and then to externalize it as it circles the planet Earth, to you all I give the blessing of Truth, the blessing of Love, the blessing of Purity. To you Beloved Lanto, Who have so long served in this Retreat, to You Who came from the beauty and delicacy of the Oriental splendor into the rugged civilization of the Western culture, We send Our love. We know that although You have been offered release and freedom from Your position and were to be allowed certain cosmic freedom in the realms above, that You have, as Sanat Kumara, Your Superior, before you did, turned down this opportunity even though there is a Being ready to take Your Office.

For your selfless service and for remaining just this little while longer, We are eternally grateful because it is the desire of the Cosmic Law to teach mankind (at least the student body) to consciously precipitate good, <u>to get confidence within themselves</u> that it is possible to so precipitate, and in that precipitation to expand this Endeavor and the Light of the World.

Thank you, Lanto, for Your courtesy, Your selflessness and Your kindness.

Beloved Nada, Sister of Light, Sister of Love, We send to You Our gratitude for that which You are doing in the Heart of Freedom.

THE ASCENDED MASTER NADA:

"Thank you, Pallas Athena, thank You, Lord Lanto!

And now ladies and gentlemen, We shall prepare to become a part of the great ceremony of magnetizing and directing the breath. Thank you so much!"
